Literature

linking empathy with altruism to conclude that empathy to nature is an important – if not necessary – condition for conservation and sustainability. Sobel (1996), for ... (PDF) Learning empathy through literature While literature has been central to discussions of empathy in divergent disciplines, the ways in which literature is often thought to relate to empathy can be simplistic and/or problematic. The basic yet popular postulation that reading literature necessarily produces empathy and pro-social moral behavior greatly underestimates the complexity of reading, literature, empathy, morality, and society. Rethinking empathy through literature in SearchWorks catalog Because literature plays a central role in discussions of empathy across disciplines, reconsidering how literature relates to "feeling with" others is key to rethinking empathy conceptually.
